More about this Greyton Property for sale in South Africa

A proper English style Greyton property that was built in 1991 by reputable builders with that special attention to detail noticeable throughout the house. The partly open plan kitchen has been fully fitted with sufficient built in cupboards surrounding the central granite island. The kitchen leads into the dining room area that overlooks a large comfortable fully carpeted lounge and focal open fireplace. The Main bedroom has a full en-suite bathroom and built in cupboards. There is a cellar below the house and a loft room which runs the full expanse of the house.
