More about this Greyton Property for sale in South Africa

This Greyton Property for sale in South Africa, has all the qualities of a country life on a manageable, well laid out piece of land. The floors are original terracotta tiles and the bedrooms have been carpeted. The house has a great in-door out-door flow from the front areas towards the back. Although the house is not more than twenty years old, the style of this property is very much of the old era which is apparent in the attention to detail and the quality of build. This Greyton cottage holds a brilliant position and is an original Greyton cottage in every sense. There are intricate Oregon doors and windows throughout the house.
